Christmas at PocketSquare

Enjoy Christmas at PocketSquare

Located on the ninth floor of the Hyatt Place London City East, our culture is simple, intimate, tailored luxury with an east London flourish and personality. Ours is truly where 'the city' meets the east. Art of local and international artists adorn the walls, including the art of Jay Kaes®, our gin-led bar, showcases eight expertly crafted signature cocktails that carry their own unique local story, crafted in our own drink's lab, creating new flavour profiles not found anywhere else in London.

PocketSquare is the perfect space for your event, and our in-house mixology team have a wonderful array of cocktails and locally brewed beers on offer for you and your guests as well as the most delectable cuisine prepared by our skilled chefs.

This brochure contains a fantastic food and drink for your reference; these may be subject to change as we offer seasonal menus, however this should give you an idea of the style and quality of food and drink that we provide. We offer a menu including canapes, bowl food and drink packages, which works perfectly for informal events and the menu options are delicious!
