

PS
POCKET SQUARE

WILDLIFE WARRIOR

The last of the “super tuskers”, Africa’s biggest elephants, are going extinct from the wild within a generation. Pocket Square skyline bar and terrace have teamed up with Elephant Gin who have actively been supporting Big Life Foundation’s Wildlife Warrior program since 2020 to protect the worlds remaining most iconic and threatened tuskers and their habitat. £1 will be donated to the Wildlife warrior program for every cocktail sold containing Elephant Gin.

Cheers to Better Gin and Safer Elephants!
